Guest Speaker - NOT Terry Tamminen

We learned on 9/14 that our very special guest speaker, Terry Tamminen, former Santa Monica Baykeeper and currently Cabinet Secretary for the Governor, one of the bright spots in this administration, has unfortunately been commandeered to be elsewhere on this day. But HOLD ON! We will have with us instead the

newly-appointed chair of the SWRCB, Tam Doduc. This Agency, as anybody interested in state water policy knows, is key to the health of our rivers and watersheds, so while we will miss Terry, we will have a rare opportunity to hear from and mingle with this VIP.
